Remuneration benchmarking

It goes without saying that all work deserves to be remunerated. However, determining the correct and fair remuneration of non-executive directors is not an easy task. GUBERNA's remuneration benchmarking services are designed to support organisations in developing an adequate and fair remuneration policy for non-executive directors, aligned to the specificities of the organisation. This service is available for all types of organisations, listed as well as unlisted, active in all kind of sectors, upon condition of a GUBERNA corporate membership.

D&O Insurance

Thanks to the partnership with AIG, GUBERNA members benefit from a free (limited) legal support insurance related to their director liability. For alumni the insurance cover is double compared to the cover for non-alumni.

Board vacancies

To support companies that are searching for new directors, GUBERNA offers the possibility to distribute open board mandates within its member network. This service is free of charge and we can additionally advise on how to (best) present a board mandate vacancy. The vacancies for director mandates are however only available for GUBERNA members.
