

GUBERNA Collective Membership

Based on our conviction that good governance leads to better organisations and that better organisations contribute to a better world, we offer personal governance assistance to our corporate members who wish to foster good governance.

Under the motto 'one size does not fit all', we align our membership formulas and the related personal assistance with the specific requirements of every organisation.

- » Would you like to receive personal governance support?
- » Would you like to give up to 9 representatives access to the GUBERNA Individual Membership benefits?

Then the GUBERNA Collective Membership is the right choice for your organisation.

Your benefits as a GUBERNA Collective Member

- You have access to the GUBERNA Premium Governance Assistance, such as a board assessment, a review of your governance documents, an incompany training, a remuneration benchmark or tailor-made support.
- Your company receives prominent visibility on the "GUBERNA Good Governance Platform" (guberna.be).
- Upon joining, your organisation receives visibility in the GUBERNA Monthly Newsletter and on our social media channels.
- After reservation and subject to availability, you can use our meeting rooms at the GUBERNA Home of Governance free of charge (Koningsstraat 148, Brussels). The conditions of use are available on our website.
- In addition, your representatives (maximum 9) have access to the GUBERNA Individual Membership benefits.
