

GUBERNA SME Membership

- » Is your SME growing or do you want to expand your company?
- » Are you wondering how good governance can support the growth of your SME and can safeguard sustainability in the long term?

The GUBERNA Centre SME Governance is ready to provide you with governance assistance and advice.

Become a GUBERNA SME Member and get access to the following benefits, tailor-made for your SME.

- You participate in the GUBERNA SME Growth Sessions at a discounted rate where seasoned entrepreneurs share their experiences in a small group.
- You participate at a discounted rate in the GUBERNA Governance Coaching Programme in which we personally support SMEs, start-ups and scale-ups during a period of 9 months.
- You have access to our practical SME governance tools (for a fee).
- You have access to activities, gatekeeping and publications of the GUBERNA Centre SME Governance.

You can, moreover, take advantage of the following benefits of our corporate members

- Your company receives visibility on the "GUBERNA Good Governance Platform" (guberna.be).
- Upon joining, you receive visibility in the GUBERNA Monthly Newsletter and on our social media channels.
- Upon request, you receive a free benchmark study regarding director remuneration.
- After reservation and subject to availability, you can use our meeting rooms at the GUBERNA Home of Governance free of charge (Tour & Taxis, Avenue du Port 86c, boîte 318, Brussels). The conditions of use are available on our website.
- In addition, your representatives have access to the GUBERNA Individual Membership benefits.
