Our office is located on the **third floor of the 'Entrepôt Royal'** building on Avenue du Port. There are several entrances to the building. The entrances and our office are indicated with arrows and the GUBERNA logo on the map below.

As a visitor, **you need to register at the reception**. You will receive a QR code that will grant you access to the elevator to the third floor. The reception is located in the middle of the building. Right in front of the reception, you will find the elevator that leads to the third floor, where you will immediately see our office. Of course, you can also ask the reception for assistance.

We look forward to welcoming you.
